IBIAGI
Unique creations

IBIAGI
Crystal colors and finishes

I BIAGI srl was founded in Pescia (Pistoia) near Florence in 1987. This area of Tuscany is famous for its ancient tradition in working metals, in the field of tableware, kitchenware and gifts. Our range of products is characterized by the mix between bronze parts and crystal hand decoration. Our work is greatly appreciated for its care to details and the ability to enrich their creations with the knowledge and contribution of the old artisans. All our articles are made by hand-made bronze gold plated 24kt and hand-made handcut crystal, in real crystal color (not painted). All the articles of our line can be customized changing the style of the bases and the shape, the color and the hand cut of the crystal. All the articles in our catalogue are handmade and properly tested. The expert designers of the company I BIAGI they are constantly working to create new ideas, making use of them of the valuable collaboration of the owners.

I BIAGI
Hints on our history

I BIAGI was established in 1987 in Pescia, a small medieval town located between Lucca and Florence. This area of Tuscany is famous for its metalwork tradition, dating back to ancient times, metalwork used especially for the manufacture of tableware, household products and gift items. The range of articles offered by I BIAGI uses a characteristic and original combination of bronze and hand decorated crystal, created respecting the traditional methods. The work of I BIAGI is greatly appreciated for its attention to details and the ability to enrich their creations with the knowledge and contribution of expert artisans.
